## Local Interest goes Nationwide

By Malcolm Strong (Part two)

Following on from Laurence Llewelyn-Bowen's "Hidden Houses of Wales" that featured Trevor Hall. The house's connection with J C Edwards, the canal and railway were explored in the programme, as were local names, which leads me on to an article that appeared in "The cefn chronicle" in 1950. I hope you find it interesting. The article, a series of several, was written by a Mr J Watkin Ellis and entitled: Points of Local Interest.

"Trevor Hall is a large brick mansion, situated on rising ground on the north side of the Wrexham to Llangollen road. It was once the residence of John Trevor, later Bishop of St. Asaph, who in the year 1346 caused a strong bridge to be built over the Dee at Llangollen, which bridge is accounted one of the seven wonders of Wales. "Pennant" states that Trevor Hall passed into the family of the Lloyds and has continued in that family to the present time. The last possessor was a lady of the name of Thomas, deceased in the last year, and leaving a son to inherit, although at present he does not occupy the premises. The house is roomy and substantial, and is pleasantly situated.

"Near the house is a "Chapel of Ease", enjoying Queen Anne's bounty, in which an English service is performed on the first Sunday in each month.

"In a rocky cliff in the neighbourhood of the hall is a cavern of some extent, in which I was informed were to be found some petrified bones of wolves, foxes and other wild animals. After exploring the cavern I failed to find vestiges of any such relics. I brought away, however, some specimens of stalactites of curious forms and various incrustations which may have been mistaken by some for petrified bony substances.

"This craggy ridge appears to be the commencement of that wonderful range of limestone called the Eglwyseg Rocks.

(Note- Before the use of whetstone for sharpening scythes, wooden bats, dipped first of all in grease and afterwards in fine sand were used. Sand obtained from these rocks was the best obtainable and much sought after. I came across two of these wooden bats for sale in a shop at Trawsfynydd not long ago).

"On the roadside between, Trevor Hall and Bron Heulog, is a small farmhouse called Plas Eva or Evan. I notice it only as marking the spot, where formerly was a cemetery, retaining the appellation of 'Mynwent y Quacer,' or Quaker's Burying Ground. It is on the south side of the house and in cutting the canal the earth from the excavation was thrown upon the old graves and the inscribed stones that lay upon the surface.

"Opposite the north side of the same house, a few years ago as some labourers were working in the limestone quarries, they discovered a pot, filled with gold coins. The find was kept a secret and one of the party disposed of the coins at Chester, as old gold. Later on an enquiry was instituted, but only one gold piece and a part of the earthen vessel, which one of the men had kept as a curiosity, was recovered. They are now, I am informed in the possession of Lady Clive.

"About a mile nearer the castle (Castell Dinas Bran) stands a recently erected mansion, called Bron Heulog—only remarkable for the narrowness of its Windows."

# **Wrexham and District National Eisteddfod of Wales 2011**

Bethan Grey – Davies Co-ordinator and Treasurer of the local Appeal.

By now a small group of us are meeting once a month to put the wheels in motion for events to collect a sizeable amount of money for the National Eisteddfod in our area. A number of people have generously donated money to the appeal already for which I am very grateful. Their names will be listed in the National Eisteddfod Programme. The first event was held on May 15th at Rhosymedre Church with Choral Variations and soloists Cecilia Smiga and Bethan Chandler. Look out for the distinctive posters for events. By August 2011 you will have the opportunity to drink a lot of coffee, have attended many concerts, sponsored bike rides and supported the talented young people of the area. The dates of the events will become clearer by the next edition of the Community news. I know that there will be a door to door collection in September for the whole authority. The Proclamation Ceremony will be held on July 3rd at Wrexham and a Gymanfa Ganu at St Giles on July 4th which will be televised. If you would like any further information, please contact me on 01978 821288

## Trevor W.I work like busy bee's

By Joyce Evans

The ladies of Trevor WI are buzzing with excitement after having been presented with a challenge to do their bit in helping save the local bee population from recent and rapid decline.

Part of the grounds of the Garth & Trevor Community Centre have been given over to the creation of a 'bee garden' designed to encourage bees back to the area.

Many of the WI have already been 'busy as bees' preparing three raised flower beds which also incorporates a 'bug hotel'.

The beds, filled with a mixture of recycled mulch, topsoil and compost await the arrival of a variety of 'bee' friendly plants and shrubs, a few of which have already been donated by locals.

## Walkabout Wrexham and District

By Julie Williams

Walks from Fron Community Centre continue to gain in popularity, attracting some 20 walkers each time. In order to maintain interest routes have been varied and we were lucky enough to have been invited to look around St Davids Church Fron on our last walk. This was quite a highlight and enjoyed by all. We wish to thank Sylvia and Doug Johnson for organising this for us.

Walks are open to all and take about two hours to cover 3-4 fairly easy miles. Do join us if you can – 12.30pm from the Community Centre in Fron on the third Saturday of the month.

## History Talk

Emrys Roberts will give a history talk at Fron Community Centre on Friday 18th June 7pm.

All welcome. Admission £1. Proceeds to St Davids Church Fron.

## Wales in Bloom

The Community Council were thrilled to hear that they have been awarded £5,000 from Wrexham County Borough Council's 'Tidy Town Grant Scheme' for Froncysyllte, Garth & Trevor to spend on flower beds, borders, hanging baskets and containers for this year's Wales in Bloom and the Wrexham in Bloom Competitions. So before long you will be able to see beautiful floral displays throughout the Llangollen Rural Ward.

Last year Wrexham were awarded a Silver Gilt in the Wales in Bloom, and our Ward were awarded 2nd place in the Wrexham in Bloom. So this year we are hoping to improve on this result.

We would like as many people to show off their gardening skills by planting up their Gardens. Don't worry if you are unable to do this, you could always plant up a hanging basket which would improve our chance of winning and putting our area on the map.

To get the best value for the money we will have to do the majority of the work and planting ourselves. So we would be very grateful if any of you would like to volunteer an hour or so to help (in any way), then please contact Sue Jones on 01978 810466 or Steve Edwards on 01978 810906 who on behalf of the Community Council and the Aqueduct Community Association are co-ordinating the planning, planting etc.

## Lemon & Orange Cake

### Ingredients:

1 orange, 2 lemons  
6 oz self-raising flour  
6 oz margarine  
5 oz caster sugar  
3 medium eggs

### Syrup:

4 oz caster sugar  
juice of two lemons

### Icing:

2 tbsp of fresh orange juice  
4 oz icing sugar  
Orange segments and orange rind to decorate.

Preheat the oven to 160 C/325 F gas mark 3. Grease and flour a 1kg/2lb non-stick loaf tin. Finely grate the rind of one lemon and the orange. Sift the flour into a bowl and add the sugar, margarine, eggs and rind. Beat with a wooden spoon for 1-2 minutes until the mixture is light and fluffy. Pour the mixture into the tin and bake for 1 hour 15 minutes. Leave the cake to stand for a few minutes then turn out on to a wire rack.

To make the syrup, place the caster sugar in a pan along with the juice from the two lemons. Heat gently until the sugar has dissolved – taking care not to burn. Bring to the boil stirring occasionally and boil for about 10 seconds. Return the sponge to the tin and pour over the syrup. Leave the cake in the tin until cold.

Make the icing by adding enough orange juice to the icing sugar to create a slightly runny consistency. Turn the cake out of the tin and cover with the icing. Decorate with orange segments and slivers of orange rind.

## Garth C.P. School News

by Syliva Clough

The Ash Cloud could not dampen my excitement at making new friends and colleagues in Germany. As part of our International links and Citizenship Curriculum, I visited a partner school in Schwabish Hall in the Baden Wuttenberg area of Germany in April. My return was delayed as a result of the "ash cloud", and it was impossible to get a flight back until mid May, so I had no option but to take five trains across Europe in order to return to school, where a mountain of paperwork was waiting for me. However, all this did not spoil the experiences gained whilst over in Grandschule Kreuzacker.

Whilst there, I taught Language and Geography and was introduced to the German education system. It was strange to attend a primary school where there were no pupils under six years of age and I quickly realised that the little ones add a very special dimension to a school. Their excited enthusiasm and eagerness to learn through play and hands –on activities echoes around the school here in Garth and this made me feel a great loss when I was in the school in Germany. However, the pupils were very friendly in Grandschule Kreuzacker, showing respect when I taught them. They were able and enthusiastic in all their activities and the school had a friendly, family atmosphere similar to the atmosphere here in Garth. This bodes well for our partnership. I enjoyed teaching in four different classes and they thoroughly enjoyed learning about Wales and our area. They enjoyed reading the letters my pupils had written and they responded.

We now aim to continue the link and develop a partnership. We aim to exchange resources and information, to use video conferencing and e-mail facilities to correspond and to arrange an exchange in the future. The partnership was all made possible through the hard work of CILT Cymru and the funding and Support of The British Council. Funding for supply was awarded by WAG. Our pupils were invited to the launch of a "children's rights" Website and phone-in "MEIC" at Glyndwr University on Friday. The School Council, and members of year 5 and 6, have been working with WAG on this project over the past twelve months and I am proud of the work our School Council has done since its formation in 2004. Indeed, I wonder what they will get up to next as they are tireless in their enthusiasm and they drive new ideas and initiatives all the time, never ceasing to amaze me.

The Wrexham School Admissions policy has caused the LEA to refuse entry to the school for six children and we are very upset by this. We realise we are full but we could have formed another class if they had been willing to re-address their policy. As there are new homes being erected in the area we will need to ask the LEA to review our situation. Let us know your opinion by writing to our Chair of Governors. In the meantime I advise every parent to send admission forms in as early as possible.

## Grand Opening of Soft Play Area at Garth and Trevor Community Centre.

By Sharon Batemen

On June 3rd there was a grand opening of the new soft play area at Trevor and Garth Community Centre. The press were invited to join the parents and children from Tiddlywinks Toddlers along with County Councillor Pat Jeffares, Community Councillor Joyce Evans, Members of the Aqueduct Community Association and a representative from Avow.

The project was originally brought to the attention of Aqueduct Community Association, by Tiddlywinks Toddlers, who were looking for a safe outside area to take the children to play. It was also agreed that it would be an ideal space to have a bouncy castle for those people hiring the centre.

After agreement from the Community Centre Management Committee and Wrexham County Borough Council, the Aqueduct Community Association helped Tiddlywinks secure the money needed to complete the project. The monies came from Tiddlywinks Toddlers, Llangollen Rural Community Council and a grant arranged through Avow.

The soft play area is open to all in the community to use and it is hoped it will become a meeting point for parents to come and chat whilst the children play.

# Sensory Garden

By Julie Williams

By the time you read this, hopefully, the garden will be finished with some planting done.

On Thursday 13th May the Mayor of Wrexham visited with Cllr. Jeffares to have an update on progress to date and he was very impressed, particularly with the work put in by the Community Payback Team to get the ball rolling.

Rob Claybrook and Barry Jones have also worked extremely hard on the project and we wish to thank them and Westminster Stone Ltd for their support.

With summer approaching, please do come and visit to see the results of our efforts, especially on a weekend when Cakes and Company will be happy to serve their now famous range of cakes and other refreshments.

We wish to take this opportunity to thank all the volunteers of Cakes and Company for their dedication and hard work at the Community Cafe. Good causes in the village each received £300 at the beginning of the season.

# Froncysyllte improvements

By Cllr. James Davies

Residents of Fron will be pleased to learn that the Council have confirmed that the following roads will be repaired/re-surfaced before the end of the Summer, Gate Road (now complete) Alma Road and the main A5. These commitments have been given by Wrexham County Borough Council to Cllr. Pat Jeffares and the Clerk Sue Jones during their monthly Ward visits. I would like to thank Pat and Sue for their hard work and tenacity, as securing funds for road repairs are hard fought during these difficult economic times.

## **Police Matters**

Although Llangollen Rural is still a relatively low crime area I would like to remind you all to avoid becoming complacent in regard to basic security and common sense precautions. Doors are best locked even when at home and unknown visitors should not be admitted without confirmed identification. In regard to reduce the risk of criminal damage to your property we would offer the following advice:-

- If you have off road parking, use it - especially if specified on your insurance policy.
- Avoid parking vehicles near to alleyways where possible.
- Consider setting up or joining a neighbourhood/premises watch scheme.
- Remove valuables from display in vehicles.
- Remove articles from display in forecourts that can be easily removed and thrown.
- Don't leave rubbish or flammable materials close to your property if possible.
- Retract or detach aerials and mirrors - the most common damage is mirrors kicked off vehicles.
- Consider investing in CCTV to monitor your premises and property.
- Please ensure that vessels capable of storing any means of fuel are locked and kept secure at all times - we are currently experiencing a dramatic rise in thefts of fuel due to increasing fuel prices.

If you would like more detailed crime prevention advice or have any other matter which you would like to discuss with your local policing team then please contact myself PCSO David Jenkins on 07854332425 or e-mail me at david.jenkins@nthwales.pnn.police.uk If you need to report any non 999 justified incidents please call 101 or alternatively 0845 607 1001 (Cymraeg) or 0845 607 1002 (English).

Best Regards to you all  
David

# County Councillor's Diary

This is a brief update of the on going issues within the Llangollen Rural Ward.

**Projects** I was proud to have played a major role in setting up projects and working with the local organisations. The projects were the old railway line improvements, Mother & Toddlers soft play area, extra parking at Read's yard, improvements to the two Community Centres, the Scout hut, and the sensory garden in Fron, most of these projects are now complete, and I would like to thank each organisation for their all their hard work for making this happen. We still have new projects coming up, which include working on a new walk way at the rear of the Scout hut and Community Centre in Trevor, and a shrubbery in Fron Community Centre grounds. I will be talking to the organisations about ideas for future projects within our ward.

**Litter Pick Day** A litter pick day was held recently along New Road down to the Mill Inn. We had a very successful day and filled over 30 bags of rubbish. On behalf of myself, PCSO Dave Jenkins and Shane Hughes of Tidy Wales who organised the day, we would like to say a special thanks to all that helped.

**Public Meeting / Bus service** A meeting was held on the 23rd April at Trevor Community Centre, to discuss the new revised route and timetable. It was very well attended, and there were lots of questions put to Mr Keith Garvey, who is the transport coordinator for Wrexham Council. After some debate I hope we now have a satisfactory out come. If you have any further issue you can contact him on: 01978 297130.

**Community Council** Having been the vice chair for the last year, at the council's AGM on the 4th of May I was elected as chairman for the ensuing year. The role I last held was in 2001. I am proud to have served the ward as your community councillor over the last 25 years. I would like to say a special thanks to the out going chair person Cllr. Mrs Tracy Pugh, my fellow councillors and the clerk Mrs Sue Jones who all worked extremely hard over the last year. Councillor Mark Valentine was also elected as vice chair, and I look forward to working with him.

**Trevor Shop** I held several meetings with various Business officials, Wrexham Council and the previous tenants prior to their retirement to try and arrange a suitable lease to keep the shop open. Rest assured that neither I nor any member of my family has any intention of taking on this business, as some people may have suggested. The Community Council and I have been chasing Wrexham Council to get the shop open as soon as possible, they now have assured us that they will have selected a suitable tenant after the 19th May, when the tenders will be opened.

**School free transport policy** At the Executive Board meeting held on Tuesday 11th May 2010, Wrexham Councillors voted to implement the policy, to send students to the nearest Secondary School, which in our case will be Ruabon, this change will commence in September 2012. I did express my feelings, that this was a sad day for children in the Llangollen Rural Ward, as our historical links with Dinas Bran School were set up in 1894 by Royal Assent.

Any problems don't hesitate to contact me.
